会议简介

一、会议介绍

政府绩效管理与绩效领导国际学术会议由兰州大学管理学院、兰州大学中国政府绩效管理研究中心、美国波特兰州立大学汉菲尔德政府学院和日本早稻田大学公共服务研究所等于2009年发起，每两年举办一届。前七届会议已先后在中国兰州、美国波特兰、日本东京、泰国孔敬、越南胡志明等地举办。第八届会议将在前七届会议的基础上，结合国际公共管理研究前沿进展和各国政府治理实践变革趋势，围绕政府绩效管理和绩效领导的若干重要问题展开讨论，为全球范围内政府治理水平提升与可持续发展贡献智慧。

二、会议主题

本次会议的主题是：数智时代的政府绩效管理变革与领导力挑战

人类文明正在经历全景式的数智化变迁，这一变迁也将驱动政府治理模式的变革与演进。政府绩效管理如何适应这一过程并能够在数智时代抓机遇、迎挑战，从而形成有效政府治理的新方法与新方案是公共行政的重要议题。在数智时代，政府绩效管理将在新技术赋能中迎来整体性、系统性和结构性的变革，同时这一时代也对公共部门领导者与领导体系提出了更高要求。本次会议旨在数智时代背景下，通过政府绩效治理的理论与方法创新，找寻系统性提升公共领导力的有效路径，在此基础上为破解政府治理和社会治理面临的新旧难题贡献学术智慧。

三、会议研讨题目

会议主办方欢迎全世界从事相关研究的优秀学者和实践者围绕“数智时代的政府绩效管理变革与领导力挑战”这一主题提交论文，进行交流和探讨。论文内容围绕但不限于以下论题：

- (1) 政府绩效治理的基础理论
- (2) 公共价值导向下政府绩效管理变革
- (3) 新技术赋能公共价值创造
- (4) 数智驱动政府绩效评估方法创新
- (5) 领导力绩效测量方法与改进路径
- (6) 大数据技术与全面预算绩效管理
- (7) 绩效领导的结构与测评
- (8) 地方政府绩效管理创新的可持续性评估
- (9) 环境治理绩效评估的方法创新
- (10) 政府绩效治理的组织行为方法
- (11) 公共项目绩效治理的理论与实践

Introduction

The International Academic Conference on Government Performance Management and Leadership is initiated by the School of Management of Lanzhou University/Lanzhou University China Research Center for Government Performance Management, the Hatfield School of Government at Portland State University in the United States, and the Institute of Public Service at Waseda University in Japan, etc., in 2009. It is held biennially. The previous seven conferences have been held in various locations including Lanzhou, China, Portland, USA, Tokyo, Japan, Khon Kaen, Thailand, and Ho Chi Minh, Vietnam. The 8th conference, building upon the foundation of the previous seven conferences, will focus on several key issues related to government performance management and leadership, taking into account the latest advances in international public management research and trends in government governance practices worldwide. It aims to contribute wisdom to the improvement and sustainable development of government governance at a global level.

THEME

Transformation of Government Performance Management and Leadership Challenges in the Era of Data Intelligence

In the era of digital intelligence, human civilization is undergoing a comprehensive transformation, driving the reform and evolution of government governance models. How government performance management can adapt to this process, seize opportunities, and meet challenges in the era of data intelligence to develop new methods and solutions for effective government governance is an important topic in public administration. In the era of data intelligence, government performance management will undergo comprehensive, systematic, and structural changes with the empowerment of new technologies, imposing higher requirements on public sector leaders and leadership systems. This conference aims to explore effective pathways to enhance public leadership systematically through theoretical and methodological innovations in government performance governance in the context of the era of data intelligence. It also aims to contribute academic wisdom to address the new and old challenges faced by government governance and social governance.

TOPICS

The conference welcomes outstanding scholars and practitioners all over the world to submit papers. The paper can focus on but not be limited to the following topics.

- 1.Fundamental theories of government performance governance
- 2.Transformation of government performance management under the guidance of public values
- 3.Empowering public value creation through new technologies
- 4.Measurement methods and improvement pathways for leadership performance
- 5.Innovation in Data-Driven Government Performance Evaluation Methods
- 6.Big data technology and comprehensive budget performance management
- 7.Structure and evaluation of performance leadership
- 8.Sustainability assessment of innovation in local government performance management
- 9.Methodological innovations in environmental governance performance assessment
- 10.Organizational behavior approaches to government performance governance
- 11.Theory and practice of public project performance governance

兰州大学管理学院简介

兰州大学创建于1909年,是教育部直属的全国重点综合性大学,是国家“双一流”建设高校(A类),在全国高等教育格局中具有重要战略地位,在国内外具有重要影响和良好声誉。兰州大学管理学院成立于2004年,学院以“培养具有全球视野、本土情怀和社会责任的卓越领导者”为使命,通过实施“文化兴院、人才强院、国际化、数字化”四大战略,经过近二十年的发展,在学科建设、人才培养、科学研究、师资队伍、国际交流与合作、社会服务等方面取得了丰硕的成果。

专业品牌彰显学科实力。学院有一级学科博士学位授权点2个(公共管理、工商管理),二级学科博士点3个(行政管理、政府绩效管理、应急管理),博士后科研流动站1个(公共管理);在第五轮学科评估中,公共管理获评B+,工商管理获评B;在最新发布的2023软科中国最好学科排名中,学院公共管理学科排名15,位列前7%;工商管理学科排名87,位列前30%。有工商管理硕士(MBA)(含高级工商管理硕士(EMBA)和国际工商管理硕士(IMBA))、公共管理硕士(MPA)、会计硕士(MPAcc)3个专业学位授权点。在2018年教育部专业学位水平评估中,我院MBA获评B+,MPA获评B;MPA项目在全国第二批MPA试办院校的教学合格评估中位居第3名。截至目前,学院5个本科专业已实现国家级一流本科专业建设点全覆盖,其中行政管理专业是教育部高等学校特色专业建设点,人力资源管理专业是甘肃省高等学校特色专业建设点。

教育教学成效显著。目前,学院有在校生共3685人,其中本科生1022人,学术型硕士生298人、博士生125人(含留学生4人),专业学位研究生2240人。基于本科创新型人才培养项目“成功计划”申报的“西部高校管理类本科专业教育模式创新:“成功计划”十二年探索与实践”项目荣获2018年度国家级教学成果二等奖,基于本科生教育模式创新项目“大学生领导力与社会责任示范研修班”申报的“大学生领导力与社会责任教育模式创新:兰州大学示范研修班的探索”项目荣获2021年甘肃省教学成果一等奖。《战略管理》获评首批国家级线上线下混合式一流课程,《公共管理学》《政府绩效管理》课程入选第二批国家级线下一流课程;《会计学原理》《销售管理》《公共管理学》《信息分析》《政府绩效管理》《财务管理》《审计学》《公共政策决策模拟》8门课程获评省级一流本科课程,《管理学原理》《会计学原理》《运筹学》获评甘肃省高等学校精品课程,《企业战略管理》被评为“省级精品资源共享课”,“兰州大学政府绩效管理教学团队”和“公共管理学教学团队”分别入选2019年和2022年甘肃省高等学校教学团队。

师资力量持续壮大。学院现有专职教学科研人员111人,获得博士学位比例为83%,有海外访学经历的教师比例为49.5%。有全国先进工作者1人,国家高层次人才特殊支持计划“万人计划”教学名师1人,国家高层次人才特殊支持计划“万人计划”领军人才2人,全国文化名家暨“四个一批”人才(理论界)1人,国家“万人计划”青年拔尖人才1人,教育部“长江学者奖励计划”青年学者1人,教育部高等学校教学名师1人,教育部新世纪优秀人才3人,教育部教学指导委员会委员2人,教育部公共管理类专业教学指导委员会委员1人,享受国务院政府特殊津贴4人,全国工商管理专业学位研究生教育指导委员会委员1人,甘肃省拔尖领军人才3人,甘肃省领军人才10人,享受甘肃高层次专业技术人才津贴4人,甘肃省宣传思想文化系统“四个一批”人才5人,甘肃省优秀专家1人,甘肃省“园丁奖”1人,甘肃省教学名师3人,甘肃省优秀青年文化人才4人,宝钢优秀教师6人,甘肃省“飞天学者”3人,国华杰出学者奖获得6人。近年来,学院通过多种方式与美国波特兰州立大学、宾夕法尼亚州立大学、西华盛顿大学、纽约城市大学组建高水平研究团队。学院积极营造“近者悦、远者来”的发展环境,不断完善职称评定制度,实施有竞争力的绩效激励制度,为教师发展提供强有力的支持。

科学研究水平不断突破。以“综合、交叉、弹性、开放”为原则设立研究所和研究中心,促进公共管理

和工商管理两个学科交叉融合,形成了政府绩效管理、公共政策、应急管理、行政管理、民族地区治理、战略管理、人力资源管理、运营管理、营销管理、会计与财务管理10个特色研究方向。2004年以来,学院累计获得国家级科学研究基金项目159项,其中,国家自然科学基金重点项目2项,国家社科基金重大项目2项、重点项目5项,教育部人文社科研究重大课题攻关项目1项。获得高等学校科学研究优秀成果奖二等奖3项,甘肃省哲学社会科学优秀成果奖52项。近年来,学院年均立项国家级基金项目12项,年均发表CSSCI文章约70篇,年均发表SCI/SSCI40篇,年均发表高水平文章33篇,省部级领导批示或采纳的智库成果32项,科学研究成果在兰州大学人文社科学院中名列前茅。

积极推进国际化战略并取得显著成效。学院秉承“以评促建”和“持续改进”的理念,将国际认证理念和标准嵌入学科建设、人才培养、科学研究、人才队伍和社会服务等方面。2014年,MBA项目(含IMBA和EMBA)通过AMBA认证并于2017年通过再认证。2022年,MBA各项目再次获得AMBA认证,管理学院同时获得首次BGA金牌认证,成为西北地区首家通过AMBA和BGA联合认证的管理学院。学院积极推进AACSB认证,于2013年成为AACSB会员,2017年启动认证,2023年4月完成现场访视评审工作并于7月获得认证,成为全球顶尖6%获得该认证的商学院(管理学院)之一,并成为西北第一家也是唯一一家获得AACSB、AMBA、BGA三大认证的商管学院。目前学院已与美国伊利诺伊大学芝加哥分校、美国罗格斯大学、美国内华达大学雷诺分校、美国波特兰州立大学、英国阿斯顿大学、德国莱比锡商学院、瑞士西北应用科学与艺术大学、韩国首尔大学等30多所国(境)外院校和研究机构建立交流合作关系,开展了教师互访、学生交流、合作科研、外教课程、硕博联培、暑期学校、海外培训、联合举办学术会议等合作项目,培养了一大批具有坚实理论基础和国际化视野的管理人才。

学院坚持用学术研究成果、管理专业知识与技术服务社会,积极与地方政府、企业和各类社会组织合作,组织开展了被誉为“甘肃模式”的第三方政府绩效评价、金城峰会、发布中国县级政府绩效指数等引起社会广泛关注的社会服务活动。学院积极为政府决策、产业升级、企业转型发展提供专业化咨询和培训服务,助力甘肃社会经济发展。

回首过去,兰州大学管理学院走出了一条在西部经济欠发达地区建设卓越管理学院的道路;展望未来,兰州大学管理学院肩负师生和社会各界重托,打造西部管理教育“高地”的目标任重道远。为此,兰州大学管理学院全体师生员工将始终心怀“国之大者”,继续秉持改革创新的雄心壮志,坚定不移实施“文化兴院、人才强院、国际化、数字化”四大战略,秉承“合作、创新、进取、责任”的学院文化,践行“学习管理就是学习成功”的院训,深化推进学院内部治理改革,为国家和西部地区培养卓越的管理人才,持续向“高度开放、研究支持、国内一流、国际知名的综合型管理学院”的目标迈进。

兰州大学管理学院衷心感谢长期以来国内外学界同仁对学院发展的无私帮助和热情支持,热诚欢迎各位海内外同仁与青年才俊来院交流指导,让我们共同携手,一道书写兰州大学管理学院辉煌的新篇章!

Introduction to School of Management, Lanzhou University

Lanzhou University (LZU) was founded in 1909. It is a national comprehensive university under the direct authority of the Ministry of Education and is on the list of China's construction plan of world-class universities and first-class disciplines ("Double-First Class" initiative). The university has an important strategic position in the pattern of China's higher education as well as great influence and good reputation both home and abroad. The School of Management at Lanzhou University (LUSM) was established in 2004, with "to develop leaders with global perspective, local commitment and social responsibility for western China and beyond" as its mission and "School culture-building", "School enhancement by talent", "Internationalization", "Digitalization" as its strategies. After nearly 20 years of development, LUSM has achieved great results in discipline building, research, talent and faculty development, International exchange and cooperation and social services, etc.

Professional brand shows the strength of the discipline. LUSM provides doctoral programs in public administration and business administration, and has one postdoctoral station of public administration. In the fifth round of discipline evaluation, its public administration was rated B+, and business administration B. According to ShanghaiRanking's Best Chinese Subjects Ranking 2023, its public administration discipline ranks 15th, ranking in the top 7%; Business Administration ranks 87nd, in the top 30%. It offers three professional master's degrees: MBA (including EMBA and international MBA), MPA and MPAcc. In the professional degree level assessment of the Ministry of Education in 2018, our school was awarded B+ for MBA and B for MPA; The MPA project ranked third in the teaching qualification assessment of the second batch of MPA pilot colleges in China. Up to now, the five undergraduate majors of the college have achieved full coverage of state-level first-class undergraduate major construction points, among which the administration major is the characteristic major construction point of higher education institutions of the Ministry of Education, and the human resource management major is the characteristic major construction point of higher education institutions of Gansu Province.

Significant educational and teaching achievements have been made. At present, the college has a total of 3685 students, including 1022 undergraduate students, 298 academic master's students, 125 doctoral students (including 4 international students), and 2240 professional degree graduate students. The "Innovation of Management Undergraduate Education Model in Western Universities: Twelve Year Exploration and Practice of the" Success Plan "based on the application of the" Success Plan "for undergraduate innovative talent cultivation project won the second prize of the 2018 National Teaching Achievement Award, The "Innovation of College Student Leadership and Social Responsibility Education Model: Exploration of Lanzhou University Demonstration Training Class" project, based on the undergraduate education model innovation project "College Student Leadership and Social Responsibility Demonstration Training Class", won the first prize of teaching achievements in Gansu Province in 2021. Strategic Management has been selected as one of the first batch of national level blended first class courses, while Public Management and Government Performance Management have been selected as the second batch of national level offline first class courses; Eight courses, including Principles of Accounting, Sales Management, Public Management, Information Analysis, Government Performance Management, Financial Management, Audit, and Public Policy Decision Simulation, were rated as provincial-level first-class undergraduate courses. Principles of Management, Principles of Accounting, and Operations Research were rated as high-quality courses in higher education institutions in Gansu Province. Enterprise Strategic Management was rated as a provincial-level high-quality resource sharing course, The Lanzhou University Government Performance Management Teaching Team and the Public Management Teaching Team were selected as teaching teams for higher education institutions in Gansu Province in 2019 and 2022, respectively.

The strength of teachers continues to grow. At present, the college has 111 full-time teaching and research personnel, 83% of whom have obtained doctoral degrees, and 49.5% of the teachers with overseas visiting experience. There are 1 national advanced worker, 2 national high-level talent special support program "Ten thousand thousand Plan" teaching master, 1 national high-level talent special support program "ten thousand plan" leading talent, 1 national cultural celebrity and "four batch" talent (theoretical circle), 1 national "ten thousand Plan" young top talent, 1 young scholar of "Changjiang Scholars Award Program" of the Ministry of Education, 1 famous teacher of higher education of the Ministry of Education, 3 outstanding talents of the Ministry of Education in the New century, 2 members of the Teaching Steering Committee of the Ministry of Education, 1 member of the Teaching Steering Committee of Public Administration major of the Ministry of Education, 4 people enjoy the special government allowance of The State Council. 1 member of the National Business Administration Graduate Education Steering Committee, 3 top leading talents in Gansu Province, 10 leading talents in Gansu Province, 4 enjoying the high-level professional and technical personnel allowance in Gansu Province, 5 talents in the "four batch" of Gansu propaganda ideological and cultural system, 1 excellent expert in Gansu Province, 1 "Gardener Award" in Gansu Province, 3 famous teachers in Gansu Province, There are 4 outstanding youth cultural talents of Gansu Province, 6 outstanding teachers of Baosteel, 3 "Flying scholars" of Gansu Province, and 6 Guohua Outstanding Scholars Award. In recent years, the College has established high-level research teams with Portland State University, Pennsylvania State University, Western Washington University and City University of New York in a variety of ways. The college actively creates a development environment of "near people happy, far people come", constantly improves the title evaluation system, implements a competitive performance incentive system, and provides strong support for the development of teachers.

Breakthroughs have been made in scientific research. The Institute and research center have been established on the principle of "comprehensive, cross-cutting, flexible and open" to promote the cross-integration of the two

disciplines of public administration and business administration, and have formed 10 characteristic research directions of government performance management, public policy, emergency management, administrative management, ethnic area governance, strategic management, human resource management, operation management, marketing management, accounting and financial management. Since 2004, the College has obtained a total of 159 national scientific research fund projects, including 2 key projects of the National self-Science Fund, 2 major projects of the National Social Science Fund and 5 key projects, and 1 key research project of the Ministry of Education in humanities and Social science research. He has won 3 second prizes of Scientific Research Outstanding achievement Awards in universities and 52 outstanding achievement awards of philosophy and social sciences in Gansu Province. In recent years, the school has established 12 national fund projects annually, published about 70 CSSCI articles annually, 40 SCI/SSCI articles annually, 33 high-level articles annually, and 28 think tank results approved or adopted by provincial and ministerial leaders. The scientific research results are among the best in the School of Humanities and Social Sciences of Lanzhou University.

We have actively promoted the internationalization strategy and achieved remarkable results. Adhering to the concept of "evaluation to promote construction" and "continuous improvement", the school has embedded the concept and standards of international certification into disciplines construction, personnel training, scientific research, talent team and social services. In 2014, the MBA program (including IMBA and EMBA) was accredited by AMBA and re-accredited in 2017. In 2022, the MBA programs once again received AMBA accreditation, and the School of Management also received its first BGA gold certification, becoming the first management school in the Northwest Region to pass the joint accreditation of AMBA and BGA. The school actively promotes AACSB accreditation, becoming a member of AACSB in 2013, launching accreditation in 2017, completing the on-site inspection review in April 2023 and obtaining accreditation in July, becoming one of the top 6% business schools (management schools) in the world with this accreditation. It has become the first and only business administration school in Northwest China to obtain the three certifications of AACSB, AMBA and BGA. At present, the school has established exchange and cooperation relations with more than 30 foreign universities and research institutions, such as University of Illinois at Chicago, Rutgers University, University of Nevada Reno, Portland State University, Aston University, Leipzig Business School, Germany, Northwestern University of Applied Sciences and Arts, Switzerland, Seoul National University, South Korea. We have carried out cooperation projects such as teacher visits, student exchanges, cooperative scientific research, foreign teacher courses, master and doctoral joint training, summer schools, overseas training, and joint academic conferences, and cultivated a large number of management talents with solid theoretical foundation and international vision.

The School adheres to serving society with academic research results, management expertise and technology, actively cooperates with local governments, enterprises and various social organizations, and organizes and carries out social service activities known as the "Gansu model", the third party government performance evaluation, the Golden City Summit, and the release of China's county-level government performance index, which have attracted wide public attention. The college actively provides professional consulting and training services for government decision-making, industrial upgrading, and enterprise transformation and development to help the socio-economic development of Gansu.

Looking back on the past, the School of Management of Lanzhou University has stepped out of a road to build an excellent management school in the western economically underdeveloped areas; Looking forward to the future, the School of Management of Lanzhou University shoulders the heavy trust of teachers and students and all sectors of society, and has a long way to go to build a "highland" of management education in the west. To this end, all the teachers, students and staff of Lanzhou University School of Management will always bear in mind the "national leader", continue to uphold the ambition of reform and innovation, unswervingly implement the four strategies of "culture, talent, internationalization and digitalization", uphold the college culture of "cooperation, innovation, progress and responsibility", and practice the school motto of "learning management is learning success". Deepen and promote the reform of the school's internal governance, cultivate outstanding management talents for the country and the western region, and continue to move forward to the goal of "highly open, research support, domestic first-class, internationally renowned comprehensive management school".

The School of Management of Lanzhou University sincerely thanks for the long-term selfless help and enthusiastic support of academic colleagues at home and abroad for the development of the school, warmly welcome all colleagues and young talents at home and abroad to exchange guidance, let us work together to write a brilliant new chapter of the School of Management of Lanzhou University!

Introduction to China Research Center for Government Performance Management

Founded in 2004, China Research Center for Government Performance Management of Lanzhou University (CRCGPM) adheres to the lofty mission of promoting the transformation of government functions, administrative system reform and business environment optimization through government performance evaluation and management. CRCGPM is an important platform for theoretical research, evaluation practices, system construction, database construction, talent training, and social services of the government performance management in China. Since 2006, CRCGPM has been jointly established by Lanzhou University and the Chinese Public Administration Society. Since 2013, CRCGPM has been listed as a key research base of humanities and social sciences in higher education in Gansu Province. Since 2017, CRCGPM has been selected as a think tank of China Think Tank Index (CTTI), Since 2022, CRCGPM has been selected as a pilot unit for new think tanks at Lanzhou University in 2022. Since 2023 CRCGPM has been selected as a benchmark case for think tank construction in the China Think Tank Index (CTTI).

CRCGPM is an important force for high-level personnel training, high-level scientific research and high-quality social services in China's government performance management. Prof. Bao Guoxian, Honorary Dean of the School of Management, also the Vice President of the National Association of Government Performance Management, is the director of the CRCGPM. Prof. Bao Guoxian, Prof. He Wensheng and Prof. Wang Xuejun of the Center were selected as the first batch of Teaching Masters of China's "Special Support Program", China's "Special Support Program for High-level Personnel Recruitment" and "The national youth talent support program". CRCGPM has more than 30 full-time and part-time professors (research fellow), more than 20 associate professors (associate research fellow), and more than 10 lecturers, has formed a high-level talent team guided by national talents and with young and middle-aged teachers as the backbone. It has trained the first batch of PhDs and masters in government performance management in China, and built a whole-chain talent training system of "undergraduate orientation - master's - Doctor's - postdoctoral" in government performance management.

As the first third-party government performance evaluation institution in China, CRCGPM has pioneered the evaluation of government performance by third-party institutions in China, formed the "Gansu Model" of local government performance evaluation in China. CRCGPM developed the country's first county government performance index, published the country's first County government performance blue book: China County Government Performance Index Research Report (2021), and built a methodology system, index system and database for government governance performance evaluation.

CRCGPM has promoted the establishment of the National Government Performance Management Research Association (NGPMRA) and the National Government Performance Management Cooperative Research Network (NGPMCRN), and as the initiator, co-hosted the International Conference on Government Performance Management and Performance Leadership with universities in the United States, Japan, Korea, Thailand, and Vietnam since 2009, make it the largest performance conference in the world. CRCGPM also contributed to the establishment of the International Government Performance Alliance (IGPA).

CRCGPM has undertaken more than 60 national research projects and projects entrusted by the World Bank, national ministries, and local governments. CRCGPM has participated in the design and consultation of performance evaluation programs of the State Administration of Taxation, the former Ministry of Environmental Protection, the former Ministry of Agriculture, and many local governments such as Hangzhou and Shenzhen, and has undertaken much national training on government performance topics such as the training of "Government Performance Management" course training of the National MPA Education and Steering Committee, created and hosted the Review of Government Performance Management. The research teams of CRCGPM have published more than 400 papers in high-level journals at home and abroad, and many papers have been reprinted in full in Xinhua Digest and NPC Reprographic Materials, and some research results have won the Second Prize of Outstanding Achievements in Scientific Research in Higher Education (Humanities and Social Sciences), CTTI Think tank outstanding achievement special prize, the First Prize and Second Prize of Outstanding Achievements in Philosophy and Social Sciences in Gansu Province. The research achievements of CRCGPM have won more than 20 national and provincial (ministerial) scientific research awards, and the theory of Public Value-based Government Performance Governance (PV-GPG) has received wide attention and recognition in academia.
